GO BP

response to decreased oxygen levels
response to oxygen levels
response to hypoxia
cellular response to decreased oxygen levels
cellular response to oxygen levels
cellular response to hypoxia
defense response to bacterium
response to water
defense response to other organism
response to water deprivation
response to oxidative stress
response to fungus
defense response to symbiont
immune system process
immune response
response to wounding
innate immune response
response to jasmonic acid
response to fatty acid
response to reactive oxygen species
